Where a complaint or dissatisfaction is not able to be resolved by a frontline member of staff it will be escalated in line with the policy.

Contractors & suppliers are required to report any complaint made to them by a Housing Solutions resident or person receiving our services without delay and co-operate with any subsequent review or investigation.

Definitions

- 3.1** A complaint is where a Housing Solutions resident or other person affected by our services raises an expression of dissatisfaction (however made) about the standard of service or about the action/inaction (or that of others acting on our behalf), which affects an individual resident or a group of residents.
- 3.2** Housing Solutions categorises feedback as follows:
- Service request: an expression of dissatisfaction which may be resolved by offering an early solution or explaining the reason behind the dissatisfaction. An example would be a resident who telephones to report that a contractor has failed to meet an AM appointment slot and Housing Solutions are able to arrange an alternative appointment at a time convenient to the resident, which resolves the service request. The monitoring of service requests will help Housing Solutions understand issues that could escalate if not dealt with at an early stage.
 - Complaint: an expression of dissatisfaction that is not able to be resolved as a service request and which therefore requires investigation and a full response to be issued.
 - Stage 1 complaint : a new complaint raised with Housing Solutions of dissatisfaction from a resident or other person receiving services from Housing Solutions where a response is normally provided within 10 working days of our initial acknowledgement in order to resolve the complaint.
 - Stage 2 complaint : a complaint which has passed through stage 1 of our complaints process where the complainant remains unhappy with the outcome. The complainant has escalated their complaint to the next (and final) stage of Housing Solutions' complaints process. A response is normally provided within 20 working days of our initial acknowledgement in order to resolve the complaint.
- 3.3** A compliment: is an expression of gratitude for a service provided on or on behalf of Housing Solutions. The policy encourages all kinds of feedback; anyone who has a relationship with Housing Solutions can compliment an employee, team or the organisation. Compliments are logged within the housing system and are reported and passed to all employees to celebrate areas of good practice.
- 3.4** A 'representative' under this policy is a person who is an official advocate for the complainant and who will deal with all aspects of the complaint on their behalf or a person supporting them more informally in the complaints process. Residents may have a representative with them at a meeting to discuss their complaint or have the support of a representative in dealing with the complaint. Where a representative is appointed, the

resident should provide written consent to us sharing their personal information with the representative in this way.

4. Who can complain?

4.1 A complaint may be made by anyone affected by the services provided by Housing Solutions. Residents may make a complaint through a representative acting on their behalf.

Excluded Complaints

4.2 A complaint may be refused or closed in the following exceptional circumstances with the agreement of a Senior Manager:

4.2.1 Where the substance or main points of the complaint have already been considered and has exhausted the complaints process. The **resident may choose** to seek redress from external parties (e.g. Housing Ombudsman, relevant authorities) at the conclusion of the complaints process.

4.2.2 Where legal proceedings have started, in that details of the claim (such as a claim form and particulars of the claim) have been filed.

4.2.3 Where a complaint is persistent, vexatious or unreasonable (see paragraph 5.3)

4.2.4 Housing Solutions will not meet excessive or unreasonable demands in relation to complaint-handling to ensure we are managing residents' expectations fairly and using our resources efficiently. In such circumstances Housing Solutions might find it reasonable to close the complaint, giving a full explanation (with a record) as to why the complaint has been terminated.

4.2.5 A complaint regarding anti-social behaviour will be dealt with under our ASB & Hate Crime policy (unless the complaint concerns how we have managed the ASB).

4.2.6 The issue giving rise to the dissatisfaction occurred over 12 months ago. Housing Solutions will consider older reports as part of the background to the complaint where this might help to resolve the issue for the resident. This may not apply where concerns relate to safeguarding or health and safety issues.

4.2.7 Matters have already been considered and have exhausted the Complaint & Compliment policy.

4.2.8 A service request (defined at para 4.2) requiring action to put a matter right will be recorded, monitored and reviewed and will not proceed through the complaints process. However, a complaint can be raised if the resident raises dissatisfaction with the response or handling of their service request.

4.3 Persistent or vexatious complaints

4.3.1 If a resident has made unreasonable complaints in the past, Housing Solutions will not assume that their next complaint is unreasonable. Each case will be considered on its merits. All relevant correspondence will be evaluated to consider the circumstances including.

- Where a resident has made persistent or unreasonable demands.
- Where a complaint is being pursued vexatiously i.e. we consider that the complaint is being made to cause unnecessary aggravation, frustration or inconvenience to the organisation and/or its staff rather than seeking to resolve a genuine issue.
- Whether the resident or their representative has been abusive or threatening to Housing Solutions staff or has produced excessive correspondence.

4.3.2 In the circumstances above, persistent or vexatious complaints will be excluded from consideration under the Complaints & Compliments Policy and the Unreasonable Customer Behaviour Policy will be applied in placing appropriate restrictions on further contact from the complainant.

5. Making a complaint or compliment

5.1 Complaints and compliments can be made in person, by phone, by email, by webchat, by website or in writing to any member of Housing Solutions staff. Upon receiving the complaint via the resident's chosen method, Housing solutions will log the complaint on the resident's housing file and agree an appropriate method for response. All complaints will be dealt with in line with the timescales under this policy. Social media complaints will progress through our Complaint & Compliment policy to maintain confidentiality and privacy.

5.2 Complaints should be made no later than 12 months after the complainant is aware of the problem or should reasonably become aware of it. In exceptional circumstances Housing Solutions may agree to accept a complaint after the time limit has passed.

5.3 All complaints, whether informal or formal, will be recorded and used to help improve our services.

5.4 There are some instances where the issue raised will not be dealt with via the complaints process and will be dealt with under the relevant policy or procedure please refer to (Appendix 1).

5.5 Should Housing Solutions not accept a complaint, a detailed explanation will be provided to the complainant setting out the reason(s) why the matter is not appropriate to be dealt with under the Complaints Policy.

5.6 Should the resolution not satisfy the complainant, they will be entitled to contact the Housing Ombudsman <https://www.housing-ombudsman.org.uk/> and advised of this entitlement in writing.

6. Formal Complaints stages

When a complaint is received it will be logged in accordance with this policy. Housing Solutions operates an internal three stage process:-

6.1 Stage one:

When the complaint is received it will be acknowledged and logged to the relevant manager responsible for handling at stage 1 of our process. The Complaints team will contact the complainant within 5 working days to acknowledge the complaint and discuss with the complainant how they will investigate the complaint following which the complainant will receive a written acknowledgement .

The acknowledgement will set out our understanding of the complaint and the outcomes the resident is seeking. If any aspect is unclear we will seek clarification. Where there are recurring issues we may consider older reports as part of the background to find a resolution.

Following investigation and review, the Complaints team will aim to respond to the resident within **10 working days** from our initial acknowledgement of the complaint. If the complaint is complex we will contact the resident and agree an extension of time to resolve the complaint of no more than a further **10 working days**. The extension and reasons for it will be confirmed in writing and contact details for the Housing Ombudsman given.

Following closure of the Stage 1 complaint, a formal response will be provided in writing giving the complainant 21 days to accept the complaint resolution.

The resident may ask the Housing Ombudsman to help resolve their complaint at any stage

of the complaints process. They will be given the Ombudsman's contact details at the end of stage one of the complaints process.

6.2 Stage two

Should the complainant not accept the Stage 1 final resolution they can escalate the complaint to Stage 2 of our complaints process within 21 days of being advised of the complaint outcome.

The complaint will be acknowledged within **5 working days** of receipt. The complainant will be asked to outline which points of the Stage 1 outcome they feel not been resolved and the outcome they are seeking to the complaint but they do not have to do so.

The stage 1 response, and any new or relevant information not previously considered, will be reviewed by a Senior Manager who has not been involved at Stage 1 with support from the Complaints team. Complainants will also be given the option to have their complaint reviewed by a senior manager and a resident representative/Board member.

A full response to the complaint will be provided within **20 working days** of our initial acknowledgement of the complaint. Under exceptional circumstances we may need to agree an extended timeframe with the resident. This should not exceed a further **20 working days**. The extension and reasons for it will be confirmed in writing and contact details for the Housing Ombudsman given.

Following closure of the stage 2 complaint a formal response will be provided in writing.

This is the end of our complaints process. If a complainant is unhappy with our final response to their complaint they have the right to escalate their complaint to the Housing Ombudsman Service, an independent body which oversees how landlords handle complaints. Further information about this is provided at section 8 below.

6.3 Escalation

Housing solutions will not unreasonably refuse to escalate a complaint through all stages of the complaint process. In exceptional circumstances, the complaint may be reviewed by a senior member of staff and a decision may be made that it is not appropriate to escalate the complaint. In this instance a full and final explanation will be provided to the complainant with details of how to contact the Housing Ombudsman should they be dissatisfied with our decision.

6.3.1 Examples where Housing Solutions may not escalate a complaint may include:

- Changing the basis of the complaint as an investigation proceeds
- Requesting escalation prior to the stage 1 response being received within Housing Solutions' published timescales
- Requesting escalation after the 21-day period
- Not co-operating with the complaints investigation process

7. Complaint closure:

7.1 Once a resolution to the complaint is arrived at, the complaint final response will be issued advising of any actions to be taken and the complaint closed. The complaint will not remain open for outstanding actions to be completed however they will continue to be tracked, and relevant updates provided to the resident.

7.2 A complaint is considered closed when the matter has been investigated and responded to and the complainant has not notified Housing Solutions that they wish to escalate the

complaint to stage 2 within 21 days. If the complainant is a resident of Housing Solutions and is still not satisfied about any aspect of their complaint, they may contact the Housing Ombudsman.

- 7.3 Following closure of a complaint stage, a complaint handling satisfaction survey on the handling and outcome of the complaint is requested to assist Housing Solutions in continuously improving our service.

8. The Housing Ombudsman

8.1 Housing Solutions is a member of the Housing Ombudsman Scheme and complies with and implements best practice and procedures as recommended by the Housing Ombudsman in the operation of this policy.

8.2 If the complainant is a resident or leaseholder living in Housing Solutions accommodation and is not satisfied with an aspect of their complaint, they may contact the Housing Ombudsman.

8.3 In circumstances where the internal complaints procedure has been completed but the complaint (or part of the complaint) remains unresolved, the Housing Ombudsman will consider how best to intervene to resolve the complaint, working with both parties for an acceptable outcome.

8.4 You can contact the Housing Ombudsman directly.
